

PACKING & SHIPPING YOUR ECU

Please ensure that your ECU is well protected by wrapping it in bubble wrap and shipping it inside a sturdy box. Do not ship in a soft, bubble or padded mailer envelope. We are not responsible for damage to your ECU during shipping if it has not been properly packaged/protected.

IMPORTANT: Do Not Request a Signature with your courier.

We understand your ECU is valuable. Requesting a signature at the time of delivery will result in significant delays. Don't do it!
